

## The NME<sup>®</sup> Implementation Training Program (NME IT)\*

Individuals enrolled in the NME IT are referred to as “*NME IT Trainer*” in this document.

*Each school working with a NME IT Trainer at ANYTIME **must have a NME Trainer previously trained or concurrently enrolled** (this maybe the NME IT Trainer if their NME Trainer Certification was purchased by the school) unless a separate arrangement has been made with the Neurosequential Network.*

### **Single School Licensing: (*NME IT Trainer* must be employed by the school)**

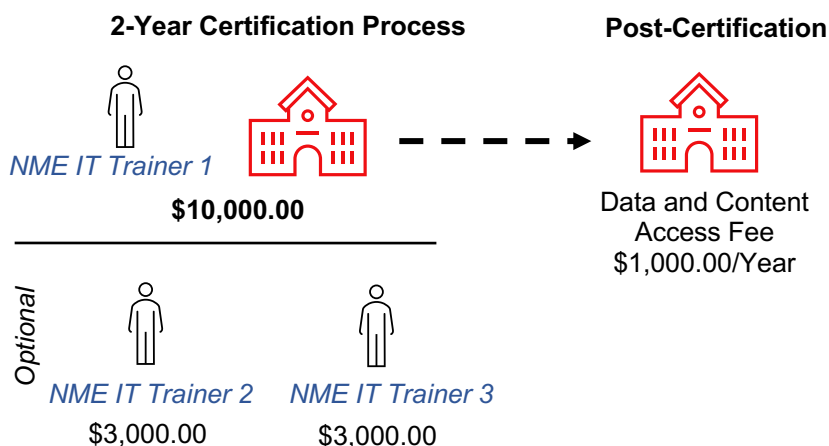

- One *NME IT Trainer* at a single school = \$10,000.00

\*If a *NME IT Trainer* leaves the single school and would like to work at a new school as an *NME IT Trainer* they will need to ensure the school has a NME Trainer Certification and the school will need to pay a \$2,500.00 on-boarding/transfer fee.
